

April 17, 2019

- We discussed helping with the costs of welcome baskets, given to new residents of our village.
- We also discussed improving the signage near the ferry in Tiverton, possibly moving the sign to make it more visible when coming off the ferry.
- Four windows need to be replaced in the hall and snow blockers need to be installed on the roof.
- We will pay \$400 more for mowing (the cemetery??)

Notes—Helen Ivens
