

June 19, 2019

The annual meeting will be in September or October. Helen will put up posters to inform villagers of upcoming monthly meetings as well as the Annual Meeting in the Fall. We will meet every two months from December to May. Wendy will put it in Passages each month.

The minutes were read and approved.

No financial report.

Helen gave an update on the playground.

Old Business

- The upstairs of the hall will not be used for now. The knob and tube wiring on the second floor needs to be replaced before it can be used.

New Business

- Letter from the Recreation committee asking for a loan of \$5 000.
- Sheldon suggested LED lights be put in to replace others to reduce costs. Someone will inquire about this.
- Wendy suggested that the Seniors and fire Department be asked to donate to the upkeep of the hall.
- Heather suggested that we get new curtains for the stage. Several people thought this would be an unnecessary expense.
